- We currently have 8 students between Foundation and Grade 6. We have 1 full time teaching Principal and a Full time Education Assistant and a .3 Business Manager. The school is visited by a Wellbeing Officer and Speech Pathologist.

6. Student behavioural expectations and management

Behavioural expectations of students, staff and families are grounded in our school’s Statement of Values and work in conjunction with the School Wide Positive Behaviour Program. The Behaviour Matrix has been constructed alongside the school community and all students have ownership over what is included – Appendix 1

Violence, bullying, and other offensive and harmful behaviours such as racism, harassment and discrimination will not be tolerated and will be managed in accordance with this policy. Student bullying behaviour will be responded to consistently with our schools Bullying policy.

When a student acts in breach of the behaviour standards of our school community, Merino Consolidated School will institute a staged response, consistent with the Department's Student Engagement and Inclusion Guidelines. Where appropriate, parents will be informed about the inappropriate behaviour and the disciplinary action taken by teachers and other school staff – Appendix 2 – Decision Making Flowchart

Disciplinary measures may be used as part of a staged response to inappropriate behaviour in combination with other engagement and support strategies to ensure that factors that may have contributed to the student's behaviour are identified and addressed. Disciplinary measures at our school will be applied fairly and consistently. Students will always be provided with an opportunity to be heard.

Disciplinary measures that may be applied include:

- *warning a student that their behaviour is inappropriate*
