Be A Learner

January 2024

Welcome One and All to the 2024 school year!

I would like to officially offer a BIG Merino CS Welcome to Erin Bailey who will be our new F-2 Classroom teacher.

We also officially welcome our new foundation students Indy, Mak and Lincoln! We also welcome Georgia in yr 2.

Genevieve—Ms Hulin

I'm very much looking forward to getting stuck into learning in 2024! We have a pretty jam packed Term 1 and the rest of the year will be full of exciting adventures for sure! I always work hard to make sure that Merino CS students have the very best educational opportunities available to them here at Merino CS and 2024 will be no different!

Erin— Ms Bailey

Erin has come to us from teaching in Portland for 4 years. Erin now lives in Sandford and is very enthusiastic to begin teaching with us here at Merino CS in 2024.

Swimming Lessons

Will commence the 31st of January and this year will be 5 weeks long and conclude 1st of March. A reminder that rash vest **must** be worn.

Kitchen

Kitchen Classes will commence at the conclusion of swimming lessons. Please provide a packed lunch. 8th of March will be our first Kitchen class for 2024

Nightly Reading

Reading to your child and listening to them read is a fundamental component to ensuring has the best chance of success in school. Please set aside time to listen to home reading every night.

School Attendance

Merino CS highly values daily school attendance however if on the odd occasion your child will be late or absent please notify the school before 9am.

Parent Breakfast

Parent breakfast will be on the 1st day back for students from 8am. Please let me know on Dojo if you can make it.

Please make sure you are listening to your child read every night.

It is *vital* that your child read to someone who can check their comprehension and correct errors as they read.

Establishing good nightly reading habits early helps to develop your child's brain, ability to focus, concentration, social skills and communication skills.

Literacy Tip of the Week

For a child, the more time spent with a parent reading aloud increases his or her level of attachment, enhances a sense of security, and imparts the knowledge that their parent feels they are worthwhile people with whom to spend time.

Bushfire At-Risk Register - Schools

2024 - 2025 Fire Season

School procedures for the bushfire season

Fire danger ratings and warnings are used in Victoria to provide clear direction on the safest options for preserving life.

Schools and children's services listed on the DET Bushfire At-Risk Register (BARR) will be closed when a Code Red fire danger rating day is determined in their Bureau of Meteorology district.

Our school has been identified as being one of those at high bushfire risk and is listed on the BARR.

Where possible, we will provide parents with up to four days' notice of a potential Code Red day closure by letter or phone call. A Code Red day will be determined by the Emergency Management Commissioner no later than 1.00 pm the day before the potential closure. Once we are advised of the confirmation of the Code Red day we will provide you with advice before the end of the school day.

Once confirmed, the decision to close will not change, regardless of improvements in the weather forecast. This is to avoid confusion and help your family plan alternative care arrangements for your child. It is also important to note that:

- No staff will be on site on days where the school is closed due to a forecast Code Red day.
- School camps will be cancelled if a Code Red fire danger rating day is determined for the Bureau of Meteorology district in which the camp is located.

As a bus co-ordinating school all bus routes will be cancelled.

On these Code Red days families are encouraged to enact their Bushfire Survival Plan – **on such days children should never be left at home or in the care of older children.**

For those of us living in a bushfire prone area, the Country Fire Authority (CFA) advises that when Code Red days are forecast, the safest option is to leave the night before or early on the morning of the Code Red day.

As part of preparing our school for potential hazards such as fire, we have updated and completed our Emergency Management Plan, and reprioritised any maintenance works that may assist in preparing for the threat of fire and cleared our facility's grounds and gutters.

What can parents do?

- Make sure your family's bushfire survival plan is up-to-date and includes alternative care arrangements in the event that our school is closed.
- **Ensure we have your current contact details, including your mobile phone numbers.** Keep in touch with us by reading our newsletters and by checking our website, ClassDojo, <http://www.dmsc.vic.edu.au/> or Facebook page.

If you have any further concerns, please contact either Genevieve Hulin (Principal/ Class Teacher) the school. 0355791305.

Our school is listed as a **Bus Coordinating School for the School Bus Program (SBP)**

An update to Department policy schools **that have bus routes that are within, or pass-through, weather districts where the fire danger is determined to be Code Red will be cancelled.**

One of the most important things we can do to slow the spread of coronavirus (COVID-19) in our community is to stay at home when we are unwell, even when we have the mildest of symptoms.

What you need to know

1. If a child is unwell, even with the mildest of symptoms, they must stay at home

If a child becomes unwell during the day, they must be collected from school/early childhood education and care (ECEC) as soon as possible.

2. If a child has any of the symptoms of coronavirus (COVID-19) outlined below, however mild, they should get tested and they must remain at home until they receive their results:

- fever
- chills or sweats
- cough
- sore throat
- shortness of breath
- runny nose
- loss of sense of smell or taste.

In certain circumstances headache, muscle soreness, stuffy nose, nausea, vomiting and diarrhoea may also be considered symptoms.

For further advice:

- call the 24-hour coronavirus (COVID-19) hotline 1800 675 398
- call a general practitioner
- use the Department of Health and Human Services (DHHS) [online self-assessment tool](#).

Visit: [Where to get tested](#).

3. A child must stay at home until they are symptom free, even if their coronavirus (COVID-19) test is negative

If a person has tested positive for coronavirus (COVID-19) they must isolate until they receive clearance from the Department of Health and Human Services. Read the [What to do if you've tested positive for coronavirus \(COVID-19\) factsheet](#) (PDF) for more information.

If a person is a close contact of someone who has tested positive for coronavirus (COVID-19) the Department of Health and Human Services will get in contact to tell them they are a close contact of a person who is confirmed to have coronavirus (COVID-19). A close contact must quarantine at home. Read the [What to do if you have been in close contact with someone with coronavirus \(COVID-19\) factsheet](#) (Word) for more information.

For information on the minimum periods students and children need to stay at home for other conditions, refer to the [DHHS school exclusion table](#).

4. Children do NOT need a medical certificate before returning to school/ECEC

Once symptoms have cleared, there is no requirement from the Department of Education and Training or DHHS for children/students to have a medical certificate before they return to school/ECEC.

Thank you for your support in following these steps, together we can all stay safe.
